

Retail Program Standards Milestone Accomplishments

- The FDA Retail Food Protection Division implemented a Program Standards Milestone Recognition Program in **June 2020**
- The purpose was to recognize state, local, tribal, and territorial (SLTT) jurisdictions who complete significant achievements during a 12-month period between Retail Food Protection Seminars

Retail Program Standards Milestone Accomplishments (cont.)

Milestone Certificates and letters are presented to jurisdictions who achieve the following during a calendar year* between seminars:

- Completion of an **Initial** Full Self-Assessment of all Nine Standards (SA9)
- Completion of a Full Self-Assessment (**periodic**) of all Nine Standards (SA9)
- Meeting and Reporting a Successful Verification Audit of **1 or more Standards** during a current Self-Assessment Cycle
- Meeting and Reporting Successful Verification Audits of **all Nine Standards** during a current Self-Assessment Cycle

*Jurisdictions are recognized during this Seminar for accomplishments between June 2020 and September 13, 2021
